Guided prompts to help you write something
she'll keep forever.

Print this out, find a quiet moment, and let the prompts guide you.
There are no wrong answers — just honest ones.

Dear Mom,

One of my earliest memories of you is...

You always made me feel safe when...

Something you taught me that I carry with me every day...

My favorite thing we do together is...

I don't say this enough, but...

The moment I realized how much you sacrifice for me...

When I grow up, I hope I have your...

The funniest thing about you is...

You are the strongest person I know because...

I wish you could see yourself the way I see you — ...

My wish for you this year is...

Anything else you want her to know...

With all my love,

your name
